

# 2D Animator

Pixie Interactive is a fully remote indie game development studio building new experiences on the blockchain with our first game, Northern Guilds - a free-to-play and play-to-earn MMORPG inspired by Norse Mythology. We are fully funded with the necessary creative freedom to create a fun-first, kick-ass game.

To stay on schedule and diversify our on-team expertise, we are expanding our art team with artists and animators. If that sounds like a reflection of yourself, we offer you the freedom, ownership, and transparency to thrive and learn, and to join us in defining the style of Northern Guilds and whatever comes next.

## Your responsibilities will be

- ▶ Creating in-game animations, responsive and consistent with overall game concepts (both character, creature, and environment)
- ▶ Preparing animations for handover to the designers.
- ▶ Assisting in the integration of the animations with the design and technical teams to build cohesive experiences for the game.
- ▶ Working within the established artistic, technical, visual, and physical parameters in the game design documents and under the direction of the art team leadership.
- ▶ General ad hoc assignments and strategic requests for input to develop and maintain a clear visual style across the entire Pixieverse.
- ▶ Contributing to the creation of 2D static assets when and if possible.

## Your ideal experience

- ▶ A portfolio showcasing your ability to produce high-quality 2d visuals (applicants without portfolios will not be considered for the position).
- ▶ 1-2 years of experience with 2D art.
- ▶ Proficient with animation software: Toonboom, Adobe Animate CC, etc.
- ▶ Proficient with 2D editing tools, Adobe photoshop, Aseprite, etc.

- ▶ Adaptability to other art styles.
- ▶ A collaborative mindset and an ability to take ownership when needed (Self-starter).
- ▶ You are a strong communicator.

## **The added bonuses on your resume**

- ▶ Experience with particle and effects animation.
- ▶ Experience in animation for games, specifically.
- ▶ Any programming knowledge and experience.
- ▶ Passion for games and some knowledge of the gaming industry.
- ▶ Interest in Crypto, NFT, and Blockchain.
- ▶ Experience playing other MMORPGs.

## **What we offer**

- ▶ A fair and comprehensive salary package – no hourly work!
- ▶ We Buy Your Desk policy – you will be provided with a work computer and a budget allocation to set up a home office.
- ▶ 5 weeks of paid vacation per year – so long as you promise to come back.
- ▶ Annual team-building event with compensation for lodging and per diem.
- ▶ A great amount of flexibility and autonomy in your work schedule.
- ▶ Ownership of, and responsibility for, your work.
- ▶ A casual work environment.
